

Anna Bellerive Set to Volunteer at Connecticut Mission of Mercy Free Dental Clinic

NEW HAVEN, Connecticut (April 19, 2018) – Anna Rose Bellerive, a legal assistant at Neubert, Pepe & Monteith, P.C. will be volunteering at Connecticut Mission of Mercy Free Dental Clinic. The Clinic provides charitable dental care to the underserved, uninsured and working poor. In addition, they seek to build awareness of the importance of oral healthcare to create a healthier community.

Anna Rose Bellerive

Though it will be her first-time volunteering at Mission of Mercy, Anna has been an ardent volunteer, primarily in the areas of health and well-being. Locally she has volunteered as an emergency room aid at the Milford Hospital and regionally, through the JoyJ Initiative, she delivered care packages to the homeless in New York City. Anna is passionate about addressing health disparities and is particularly interested in the impact of good oral health. Her goal is to open her own dental clinic to help raise awareness for proper oral health and treat those who would otherwise not have access to affordable care.

Ms. Bellerive's work with the Connecticut Mission of Mercy and her other volunteer commitments are reflective of Neubert, Pepe & Monteith's commitment to the welfare of the community in which it serves.
